

The Career and Major Exploring Series

www.casa.colostate.edu

Like GPS for your future.

Career Fair Orientation

Learn how to navigate career fairs, talk with employers, explore career options, and ask the right questions.

Exploring Majors Fair

Discover all that CSU has to offer. Preview more than 65 majors from 8 colleges and speak directly with a representative from each college.

Major Madness Workshops

Identify your interests, values, and skills and discuss ways to connect these to majors and careers.

Food & Facts

Join Career Liaisons from individual colleges for lunch or dinner to hear how majors connect to various careers and industries.

The Career & Major Exploring Series gives students tools to make decisions. Events will feature self-assessments, interest & value clarification exercises, and insight to potential coursework & occupations . . . to name a few.
